PARTNERSHIPS
2020 - 2021**

PREPARED BY

JANELLE HARPER
COMMUNITY SCHOOL COORDINATOR

THE SCHOOL DISTRICT OF
PHILADELPHIA
COMMUNITY SCHOOLS

Hello All,

I am Janelle Harper the Community School Coordinator from the Office of Children and Families. I created a Community School catalog for teachers/students to browse partners and programs. I have provided emails/contact information for each partner/provider.

If you are interested in contacting a partner you can email them directly or email me to reach out to me to make the connection.

Building a virtual community!

Harper

Program: **Rock to the Future - Fall
Virtual Music Programs**

Email: juliana@rocktothefuture.org

Contact: Juliana Cala

9th - 12th

Rock to the Future provides student-driven music programs in a safe and supportive environment at no cost for Philadelphia youth. We are excited to launch our Fall 2020 Virtual Programs

Classes include instruction on guitar, bass, drums, piano, or vocals, making music on a computer, protest songwriting, collaboration with professional musicians, music scoring, and more. One-on-one academic tutoring and college and trade school help is also available.

Students will be given an instrument and all supplies needed to join, no experience is necessary, there is no cost, and we can provide assistance with technology training and needs. Learn more and register by visiting **RocktotheFuture.org** or calling **215-302-9633**.

Community School Partnerships Students

Program: Vietlead's Philly Roots Youth Leadership Program

Email: van.sam@vietlead.org

Contact: Van Sam

9th grade Leadership Development and Social Justice

Philly Roots Program is a program is part of our community leadership trellis aimed to develop a high-school age generation of activists and organizers to deeply invest in building the power of working-class communities. Whether you are joining us for the first time or returning again, we need you and are excited to see you take the next step in your personal and political leadership development!

As members of the program, you will be expected to fulfill the following responsibilities:

1. Complete all required paperworks as soon as possible (to be obtained during first meeting)
2. Attend two meetings each week and at least 75% of the meetings per month
3. Commit to holistic learning and growth through engagement of thought, words, emotions, and action
4. Additional responsibilities for YAs/YOs to be explained in its sections

Community School Partnerships Students

Program: STEP

Email: jgaines@philasd.org

Contact: Joseph Gaines

9th grade - 12th grade

STEP is a team of clinicians who work alongside students, school staff, and families to help identify barriers to student success and strategize ways to help students succeed.

Mental and Behavioral Health Support
